VISION

To be a leader in building an inclusive, sustainable and healthy community.

MISSION

Committed to the social determinants of health, The Four Villages Community Health Centre provides accessible, inter-professional primary health care, improving individual and community health.

VALUES

Collaboration

We meet the needs of our clients and the community by fostering strategic partnerships, building on integration efforts and community expertise.

Respect

We value everyone as a unique individual with the intrinsic right to respect and inclusion.

Empowerment

We advocate, encourage and support everyone in achieving their goals and potential.

Excellence

We conduct our work to provide high quality and innovative services and programs. We ensure accountable, efficient and effective use of resources.

Diversity

Everyone is entitled to human rights and justice regardless of individual differences. We work to safeguard these rights by addressing the root causes of exclusion, and to attain and preserve human dignity to achieve equity.
